ATTENTION RUTGERS STUDENTS
AVOID ISSUES ON ELECTION DAY

IF YOU HAVE MOVED SINCE YOU LAST REGISTERED TO VOTE, READ THIS CAREFULLY!

State law requires that your official polling place (where you must vote) is determined by where you currently live.

If you moved (even between dorms) and have not updated your voter record, you must update your address, prior to voting to avoid issues on Election Day.

To check if you are registered and to find your polling location (& other useful information) go to or scan:

http://www.state.nj.us/state/elections/voting-information.html

Then select “Am I Registered” or select “Where Do I Vote”

To update your voter record or if you have never registered and would like to, you can go to (or scan) the site above. Select the correct form, print, sign and mail (no postage required) or bring it in to the Board of Elections or your local Municipal Clerk’s office before the Close of Registration (21 days before the election)

You can even get a Mail In Ballot application further down on that same page.
