

# Service Project Ideas for Students

## What is a Service Project?

- Community service is work done by a person or group of people that benefits others. It is often done near the area where you live, so your own community reaps the benefits of your work. You do not get paid to perform community service, but volunteer your time.

## Service Project Ideas:

- Send cards to soldiers serving overseas
- Help register people to vote
- Tutor children during or after school
- Clean up a local park
- Donate your old clothes
- Volunteer at a soup kitchen
- Prepare a home-cooked meal for the residents of a nearby homeless shelter
