

Judging the Accuracy of the News: Assessing Your News Source

Select a news story from your source of choice.

News Story Title:

Date Created/Published:

News Source Type:

Use the 6 question method to assess the accuracy of your chosen news source:

Who wrote/created this piece of news?

Who is the target audience of this piece of news?

Judging the Accuracy of the News: Assessing Your News Source

Who is paying for this? Or, who will get paid if you click on this piece of news?

Who could benefit or be harmed by the message of this piece of news?

What piece of the story is being left out (that may be important to fully understand what is going on)?

Is this a credible source (and why do you believe this)?

What did you learn from this article?
