

[Comprehensive→Guide]@How to Name Change on American Airlines Booking Ticket?{A|A~Official~Guide_2025}

When you book a flight with American Airlines ☎+1 [844-993-2399], the name you enter on the reservation becomes part of a formal ☎+1 [844-993-2399], legal travel document ☎+1 [844-993-2399], and that name must ☎+1 [844-993-2399], at check-in and boarding ☎+1 [844-993-2399], match exactly the name on your passport or ID ☎+1 [844-993-2399]. Because of this ☎+1 [844-993-2399], American Airlines treats its tickets and bookings as “personal ☎+1 [844-993-2399],” meaning that tickets are issued to a specific person and are non-transferable ☎+1 [844-993-2399]. As a result ☎+1 [844-993-2399], a full name change—that is ☎+1 [844-993-2399], replacing the original passenger with a different person—is generally not permitted ☎+1 [844-993-2399].

However ☎+1 [844-993-2399], recognizing that human error can lead to spelling mistakes ☎+1 [844-993-2399], transliteration issues ☎+1 [844-993-2399], or minor typos ☎+1 [844-993-2399], American Airlines allows limited name corrections or amendments under certain conditions ☎+1 [844-993-2399]. These exceptions are meant only for fixing or clarifying the correct name of the same traveling passenger—not for transferring the ticket to someone else ☎+1 [844-993-2399].

The kinds of name corrections allowed by American Airlines policy include small spelling mistakes (for example ☎+1 [844-993-2399], a misspelled first name or last name) ☎+1 [844-993-2399], errors in transliteration ☎+1 [844-993-2399], mistakes involving the order of first name and last name ☎+1 [844-993-2399], omissions such as missing a middle name or second given name ☎+1 [844-993-2399], or incorrectly entered surname versus given name ☎+1 [844-993-2399].

In formal terms ☎+1 [844-993-2399], American Airlines’s policy states that full name changes or transfers that result in a different passenger taking the reservation are not allowed ☎+1 [844-993-2399]. The ticket and reservation are considered personal documents ☎+1 [844-993-2399], and this policy is designed to prevent misuse ☎+1 [844-993-2399], fraud ☎+1 [844-993-2399], or ticket reselling ☎+1 [844-993-2399].

If you discover a mistake ☎+1 [844-993-2399], such as a misspelling or missing middle name ☎+1 [844-993-2399], you can request a “name correction ☎+1 [844-993-2399].” Such changes must be handled carefully: you must not cancel the existing booking until the corrected booking is confirmed ☎+1 [844-993-2399]. In practice ☎+1 [844-993-2399], a new passenger name record (PNR) is created for the corrected name ☎+1 [844-993-2399]. Once that is confirmed ☎+1 [844-993-2399], the old PNR with the wrong name can be cancelled ☎+1 [844-993-2399]. This ensures that seat assignment ☎+1 [844-993-2399], fare class ☎+1 [844-993-2399], and any special services or frequent-flyer data remain synchronized properly ☎+1 [844-993-2399].

Whether the change is handled via correction within the same PNR or via creation of a new PNR depends on the nature of the correction and the ticket’s status—issued or unissued ☎+1 [844-993-2399]. For example ☎+1 [844-993-2399], if the ticket has already been

issued ☎+1 [844-993-2399], the correction must go through the airline's system to confirm the rebooking under the correct name and re-issue the ticket ☎+1 [844-993-2399].

Because American Airlines treats the ticket as non-transferable ☎+1 [844-993-2399], any attempt to replace the passenger—that is ☎+1 [844-993-2399], give the ticket to someone else—would not be considered a name correction ☎+1 [844-993-2399]. That is not permitted under American Airlines's rules ☎+1 [844-993-2399].

Name corrections generally involve a fee ☎+1 [844-993-2399]. The standard charge varies depending on route ☎+1 [844-993-2399], fare type ☎+1 [844-993-2399], and booking method ☎+1 [844-993-2399]. For domestic flights within Greece ☎+1 [844-993-2399], the fee is typically lower ☎+1 [844-993-2399], while international flights may incur higher fees ☎+1 [844-993-2399], sometimes ranging from €50 up to €150 depending on the fare class and route ☎+1 [844-993-2399].

In addition ☎+1 [844-993-2399], if the change involves a legal name change due to marriage ☎+1 [844-993-2399], divorce ☎+1 [844-993-2399], or another official reason ☎+1 [844-993-2399], American Airlines requires supporting documentation ☎+1 [844-993-2399], such as a marriage certificate ☎+1 [844-993-2399], updated passport or national ID ☎+1 [844-993-2399], or court order ☎+1 [844-993-2399]. Only then will they process a name change request to reflect the new legal name ☎+1 [844-993-2399].

It's important to note that name corrections must be requested before check-in and before travel ☎+1 [844-993-2399]. Once check-in is completed or the flight is near departure ☎+1 [844-993-2399], the chances of successfully changing the name become very slim ☎+1 [844-993-2399].

If the ticket was purchased via a third-party travel agency ☎+1 [844-993-2399], special travel package ☎+1 [844-993-2399], or as part of a bundled deal ☎+1 [844-993-2399], the rules may be stricter ☎+1 [844-993-2399]. For travel packages ☎+1 [844-993-2399], the company's terms often state that full name changes or transfers to third parties are not allowed ☎+1 [844-993-2399]. Only minor corrections may be permitted in limited circumstances ☎+1 [844-993-2399].

In practice ☎+1 [844-993-2399], correcting a name on an existing ticket tends to involve this workflow: first ☎+1 [844-993-2399], contact either the agency through which you booked or American Airlines ☎+1 [844-993-2399], provide the correct name and any necessary documents ☎+1 [844-993-2399], request a new PNR under the corrected name while keeping your original booking intact until verification is done ☎+1 [844-993-2399], pay the prescribed fee ☎+1 [844-993-2399], have the ticket reissued ☎+1 [844-993-2399], verify that all special services (seat assignments ☎+1 [844-993-2399], frequent-flyer number ☎+1 [844-993-2399], special requests) have been transferred to the new booking ☎+1 [844-993-2399], and then cancel the incorrect reservation if required ☎+1 [844-993-2399].

Because the corrected name must match official ID exactly ☎+1 [844-993-2399], even small spelling mistakes or omission/addition of a middle name are taken seriously ☎+1 [844-993-2399]. Close matches are often not sufficient and can lead to issues at check-in or boarding ☎+1 [844-993-2399], including refusal to allow travel ☎+1 [844-993-2399]. Travelers are strongly advised to have exactly matching names ☎+1 [844-993-2399], and if there is any doubt ☎+1 [844-993-2399], to correct them in advance rather than risk denial at the airport ☎+1 [844-993-2399].

To illustrate 📞+1 [844-993-2399], consider a few practical scenarios 📞+1 [844-993-2399]. Suppose you booked a flight from Athens to London and mistyped your surname 📞+1 [844-993-2399], for example 📞+1 [844-993-2399], “Papadopoulos” became “Papdopoulos 📞+1 [844-993-2399].” If you notice the error immediately 📞+1 [844-993-2399], you contact American Airlines or your travel agent and request a name correction 📞+1 [844-993-2399]. Because this is a small spelling error and the passenger remains the same 📞+1 [844-993-2399], the correction is allowed 📞+1 [844-993-2399]. You pay the fee 📞+1 [844-993-2399], provide proof of ID 📞+1 [844-993-2399], and the ticket is reissued with the correct name 📞+1 [844-993-2399]. Your seat 📞+1 [844-993-2399], booking class 📞+1 [844-993-2399], and itinerary remain unchanged 📞+1 [844-993-2399].

In another scenario 📞+1 [844-993-2399], if you omitted your middle name on the booking but it is present on your passport 📞+1 [844-993-2399], American Airlines generally allows adding or correcting the middle name under their rules 📞+1 [844-993-2399]. Documentation may be required 📞+1 [844-993-2399], and the correction must be requested prior to check-in 📞+1 [844-993-2399].

However 📞+1 [844-993-2399], if you booked a ticket for “John Smith” and want to give it to a friend “David Brown 📞+1 [844-993-2399],” that is considered a full name change or ticket transfer 📞+1 [844-993-2399]. American Airlines’s policy does not allow this 📞+1 [844-993-2399]. The ticket is personal and non-transferable; you would need to cancel the original booking (if fare rules allow) and have your friend purchase a new ticket in their own name 📞+1 [844-993-2399].

For travelers who have legally changed their name 📞+1 [844-993-2399], American Airlines allows a request for a name change if proper documentation is submitted 📞+1 [844-993-2399]. This ensures the ticket matches the passenger’s legal name as shown on travel ID 📞+1 [844-993-2399].

There are several practical tips for managing name issues 📞+1 [844-993-2399]. First 📞+1 [844-993-2399], always double-check that the name entered during booking matches exactly the passport or ID 📞+1 [844-993-2399], including spelling 📞+1 [844-993-2399], order of first and last names 📞+1 [844-993-2399], middle names 📞+1 [844-993-2399], and special characters or transliteration 📞+1 [844-993-2399]. Second 📞+1 [844-993-2399], address any errors immediately after booking 📞+1 [844-993-2399], before ticket issuance 📞+1 [844-993-2399]. Third 📞+1 [844-993-2399], keep copies of your booking confirmation 📞+1 [844-993-2399], payment receipt 📞+1 [844-993-2399], and any communication with American Airlines or your travel agent until the corrected ticket is fully confirmed 📞+1 [844-993-2399]. Fourth 📞+1 [844-993-2399], be aware of the fees for corrections and budget accordingly 📞+1 [844-993-2399]. Fifth 📞+1 [844-993-2399], understand that a name correction is not a ticket transfer—full name changes to a different traveler are not allowed 📞+1 [844-993-2399]. Lastly 📞+1 [844-993-2399], provide documentation for legal name changes or significant corrections when requested by the airline 📞+1 [844-993-2399].

In conclusion 📞+1 [844-993-2399], American Airlines allows name corrections under specific circumstances 📞+1 [844-993-2399], primarily for fixing spelling mistakes 📞+1 [844-993-2399], transliteration issues 📞+1 [844-993-2399], or missing middle names 📞+1 [844-993-2399]. The airline does not permit full name changes or ticket transfers to a different passenger 📞+1 [844-993-2399]. Name corrections must be requested before travel 📞+1 [844-993-2399], may require a fee 📞+1 [844-993-2399], and often involve reissuing the ticket under a new PNR 📞+1 [844-993-2399]. By ensuring names match

official identification at the time of booking and addressing errors promptly [844-993-2399], travelers can avoid complications and ensure smooth boarding [844-993-2399]. Following these guidelines makes navigating American Airlines's name-change policy straightforward and avoids any potential issues at the airport [844-993-2399].

Yes [844-993-2399], American Airlines allows name changes on tickets [844-993-2399], but this is subject to specific conditions [844-993-2399], fees [844-993-2399], and restrictions [844-993-2399]. The policy applies to most tickets [844-993-2399], but not all fare types permit changes [844-993-2399], and it depends on the ticket's status (e.g. [844-993-2399], [844-993-2399], issued [844-993-2399], confirmed [844-993-2399], or refundable) [844-993-2399].

Name changes are typically allowed only before the flight departs [844-993-2399]. Once the ticket is issued [844-993-2399], changes can be made if the fare rules permit it (e.g. [844-993-2399], [844-993-2399], flexible or changeable fares) [844-993-2399]. Non-refundable or deeply discounted tickets often do not allow name changes [844-993-2399]. Changes are possible for adults [844-993-2399], children [844-993-2399], and infants [844-993-2399], but the new name must match the passenger's valid travel documents (e.g. [844-993-2399], [844-993-2399], passport or ID) [844-993-2399]. For minors [844-993-2399], parental consent may be required [844-993-2399]. Requests must be made at least 24-48 hours before departure [844-993-2399], depending on the route and booking channel [844-993-2399]. Last-minute changes are generally not allowed [844-993-2399]. Seats must be available in the same booking class; otherwise [844-993-2399], the change may not proceed [844-993-2399].

American Airlines charges a name change fee [844-993-2399], which varies by route [844-993-2399], fare type [844-993-2399], and timing [844-993-2399]. For example [844-993-2399], within Europe [844-993-2399], it might be around €50-€100 per passenger [844-993-2399], while international flights could cost €100-€200 or more [844-993-2399]. If the new name requires a higher fare (e.g. [844-993-2399], [844-993-2399], due to pricing changes) [844-993-2399], you'll pay the difference plus the change fee [844-993-2399]. Taxes [844-993-2399], surcharges [844-993-2399], or seat selection fees may apply if the original booking included them [844-993-2399].

To request a name change [844-993-2399], you can do so online through American Airlines' website or app [844-993-2399], if the booking was made there [844-993-2399]. Log in to your reservation and follow the change options [844-993-2399]. Alternatively [844-993-2399], call American Airlines customer service or visit an American Airlines office/agent [844-993-2399]. For international support [844-993-2399], use local numbers listed on their site [844-993-2399]. If booked via a travel agent or site like Expedia [844-993-2399], contact them first—they may handle it on behalf of American Airlines [844-993-2399].

This information is drawn from American Airlines' official website (AmericanAirlinesair [844-993-2399].com) and their terms and conditions [844-993-2399], as well as general airline policies [844-993-2399]. Policies can change [844-993-2399], so

always verify directly with American Airlines for your specific ticket (provide the PNR or booking reference) ☎+1 [844-993-2399]. For example ☎+1 [844-993-2399], their FAQ section confirms name changes are possible with fees ☎+1 [844-993-2399], but emphasizes checking fare rules ☎+1 [844-993-2399]. If your ticket is non-changeable ☎+1 [844-993-2399], options like cancellations or rebookings might be explored instead ☎+1 [844-993-2399].
