Bankrate.com is an independent advertising supported publisher and comparison service. We are compensated in exchange for placement of sponsored products and services or by you clicking on certain links posted on our site. Therefore, this compensation may impact how, where, and in what order products appear within listing categories, except where prohibited by law. For our mortgage, home equity, and other home lending products, other factors such as our own proprietary website rules and whether a product is offered in your area or at your self-selected credit score range can also impact how and where products appear on this site. While we strive to provide a wide range of offers, Bankrate does not include information about every financial or credit product or service.

You can add money to your balance via direct deposit or by depositing cash at participating retailers like Walmart, Walgreens, 7-Eleven, and Family Dollar. Similar to a traditional checking account, you can use your account and routing numbers to pay bills online and withdraw money from ATMs with your Cash App card.

Sending and receiving money is completely free, and most payments are deposited directly into your bank account as soon as you make a transaction. Your balance will be updated immediately on your Cash App so you know the payment went through.

The invoice footer includes an additional notes section where you can add more information that you wish your client should know about it it also includes the signature where you can add a signature image or digital signature at the bottom you can add your email address and contact information
